On 1/28/60, NY 2535-C, advised SA WILLIAM J. DANIELSON, Jr., that to his knowledge the FRANKS were returning to their apartment in the future due to the fact that when they left on their trip they took only clothing and left other belongings including furniture, in the apartment. The informant stated that he believes that the person named ~~TEFLOW~~ living at the apartment is a relative of one of the FRANKS, and he is staying there to care for the apartment.

The informant stated that his apartment is directly below the FRANK apartment and that he has made an effort to listen to sounds coming from their apartment which could have been made by a radio, however, there has never been any sounds of this type to his knowledge. He advised that he will keep alert for any such sound in the future.

The informant concluded by stating he will attempt to ascertain the first name of ~~TEFLOW~~, the person now living at the FRANK apartment.

NY will keep in contact with NY 2535-C and advise the Bureau of any pertinent details as they occur.
